Jen Dearman  
Director of Community and Economic Development  
City of Pascagoula

Please accept this as my formal resignation from The Pascagoula Redevelopment Authority effective today February 12, 2018. My job is requiring me to spend more time traveling and I can not attend the monthly meetings on a regular basis. I feel that it would better serve the PRA to have a member that can be active and attend all meetings.

I have enjoyed the time I have served on the PRA. I will continue to help anyway I can with the development of the City of Pascagoula.

Sincerely,

Jackie Grimes
