Signature

* See following page for alternate proposal

WM provides the following alternate proposal for your consideration:

One time per week curbside collection of garbage, household rubbish, garden trash, tree trimmings, bulky materials, white goods & recyclable materials.

WM proposes utilizing fully automated side loading trucks to service cart contents only. WM also proposes utilizing knuckle boom trucks for yard and bulky materials with a 4 cubic yard limit per collection day.

WM proposed rate for this service is \$37.82 per unit per month
