Owner's General Description of Project: Prepare bid documents for rehabilitation of the sewer collection system serving properties on Highway 90 west of Veterans Boulevard.

DETAILED SCOPE OF WORK, SCHEDULE AND COST:

Consultant to provide detailed proposed scope of work, with any applicable associated milestones, dates, and costs associated with phases of work:

Proposed Scope of Work: CE shall provide design services to prepare bid documents to acquire bids one time for a contractor to repair damages to the sewer collection system serving properties on Highway 90 west of Veterans Boulevard. CE shall provide construction administration services to coordinate the repairs between the Owner and Contractor.

Timeline and Milestones: CE will begin work immediately upon receipt of an executed Task Order. CE will complete the proposed bid documents within 21 calendar days thereafter.

Cost and Method of Compensation (Lump Sum or Hourly Rates): CE shall provide the design services as described above for a lump sum fee of \$7,500.00. CE shall provide the construction administration services as described above on a time and material basis, not-to-exceed \$5,000.00 based on CE's hourly rates as outlined in the General Services Agreement.

Task Order Transfer: CE Group, Inc. formerly known as Compton Engineering, Inc. (CE) is concluding negotiations of a business transaction with Neel-Schaffer, Inc. ("Buyer") pursuant to which Buyer would purchase substantially all the assets of CE, including but not limited to this Task Order. By executing this Task Order, we request and the Owner hereby (i) expressly consents to the assignment of this Task Order by CE to the Buyer and (ii) agrees that this Task Order shall remain in full force and effect following consummation of the transaction.

JMD By initialing here, the Consultant agrees that the above described scope of work represents a complete scope of work consistent with the goals of the Owner and no additional tasks will be needed to accomplish the intent.

It is agreed that the above described work will be completed in accordance with the provisions of the General Services Consulting Contract dated December 18, 2018.
