Fireworks Display Permit Application

This request is hereby submitted to obtain your approval to conduct a fireworks display. This display will be of such character as to not be hazardous to persons or property, as the applicant carries the proper liability insurance as required by law. This display will strictly comply with the standards set forth by NFPA 1123 (National Fire Prevention Association’s code for outdoor display fireworks), and will be conducted by a competent fireworks operator.

Organization Main Street Pascagoula

Location Concrete pad on Pascagoula Beach

Effective Date/Dates May 13, 2023 Expiration Date May 14, 2023

Applicant Susannah Northrop - MSP Associate Director

Phone 2282177214 Fax n/a

Application for permit shall be received no later than (10) ten working days before the show, Monday-Friday excluding holidays. All items on the following checklist shall be provided for approval.

- Fill out complete application. (Information listed above)
- The name, address, and phone number of the supplier of the fireworks if different than the operator.
- Proof of insurance or financial responsibility.
- Confirmation of the license of the operator and the number of assistants that are to be present.

- A photo ID matching the licenses of the operator shall be provided.
- The number, kinds, and size of fireworks to be discharged with MSDS for each.
- Site plan of the ground/waterway. Provide fall out distances in feet on drawing.
- MS Dept. of Marine Resources approval letters if applicable. (Provide if over water)
- Coast Guard approval letters if applicable. (Provide if over water)
- A letter shall be provided taking responsibility for post clean up and disposal of all unspent products.
