PETITION FOR EXEMPTION FROM AD VALOREM TAXATION

COMES NOW Huntington Ingalls Incorporated, acting through its Ingalls Shipbuilding division (hereinafter referred to as "Ingalls") by its duly authorized officer and pursuant to Section 27-31-105, et seq. of the Mississippi Code Annotated respectfully petitions the Honorable Mayor and City Council of Pascagoula, Mississippi for an exemption from ad valorem taxation (except for state ad valorem taxation and ad valorem taxes for school district purposes), of the additions to or expansions of the facilities and property described in Exhibit A attached hereto and incorporated by reference herein, for a period of ten (10) consecutive years.

In support of its Petition, Ingalls presents the following grounds and reasons why the exemption should be granted:

- 1. All of the improvements listed on Exhibit A are additions to, replacements or expansions of the ship construction, overhaul, repair and modernization facilities and properties of Ingalls located in the City of Pascagoula, Jackson County, Mississippi, which were constructed, completed or procured before the date of this Petition. Exhibit A accurately describes the nature or types of additions and expansions to the real and personal property to be utilized by Ingalls in its shipbuilding operations, as well as, the estimated true dollar value of such additions and expansions, consisting of the estimated or projected costs to be incurred by the Petitioner.
- 2. The improvements listed in Exhibit A constitute new additions, replacements and expansions to Ingalls' shipbuilding and manufacturing facilities. The properties listed in Exhibit A have enhanced and will enhance the manufacturing processes and will assist Ingalls in its efforts to attract new business.
- 3. The improvements listed in Exhibit A constitute additions, replacements or expansions of Ingalls' shipbuilding capacities or capabilities that have not been previously covered by a Petition for Exemption from Ad Valorem Taxation. However, a Petition for Exemption from Ad Valorem Taxation is being contemporaneously filed with the Board of Supervisors of Jackson County, Mississippi that is substantially identical to this Petition.
- 4. Ingalls has provided significant employment opportunities in the City of Pascagoula, Jackson County, Mississippi in recent years as evidenced by the following 10 year average of annual employment statistics since 2013:

Year	Average Employment
2013	9,627
2014	10,980
2015	11,054
2016	11,281
2017	11,016
2018	10,888
2019	10,866
2020	11,179
2021	11,162
2022	10,924
Average	10,898

- 5. The property listed in Exhibit A will enhance Ingalls' ability to obtain new ship construction, ship repair, ship conversion and/or ship overhaul contracts which will in turn help Ingalls maintain and possibly increase its employment levels.
- 6. The expansions, replacements and additions to the shipbuilding facilities of Ingalls are believed to be necessary to preserve, as well as improve, employment opportunities in the City of Pascagoula, Jackson County, Mississippi. Without the expansions and additions listed in Exhibit A, it is believed that Ingalls would not be able to perform existing contracts as well as predicted or to compete as effectively for future ship construction, overhaul, modernization and repair contracts.
- 7. It is submitted that the additions, replacements and expansions of Ingalls' shipbuilding facilities and properties described in Exhibit A will promote community development, employment and industrialization in the City of Pascagoula, Jackson County, Mississippi and the State of Mississippi. Therefore, the additions to, replacements and expansions of the Ingalls facilities and property used for shipbuilding, including ship construction, ship repair, ship overhauls and ship modernization, as described in Exhibit A, having a total true value of \$10,086,934.17 are eligible for exemption.

WHEREFORE, Ingalls prays that the Mayor and City Council will grant it's Petition for exemption from ad valorem taxation, except for state ad valorem taxation and ad valorem taxes for school district purposes, for a period of ten (10) consecutive years, including the following specific actions:

- 1. Approve this Petition in its entirety by resolution spread on its minutes and forward the original of the application plus three (3) copies and a certified transcript of a resolution of approval to the State Tax Commission, with the recommendation that the Commission find all of the property listed in Exhibit A to be eligible for exemption from ad valorem taxation under Section 27-31-105, et seq. of the Mississippi Code Annotated; and
- 2. Upon receipt of the certificate of approval from the State Tax Commission, grant to the Petitioner a final ten (10) year exemption from ad valorem taxation, except state and school district ad valorem taxation, for all of the additions to and expansions of Ingalls' facilities and property listed in Exhibit A attached to this Petition.

Respectfully submitted.
