

### **Litter Signage Information**

- Litter signs shall be placed in high traffic areas to deter potential littering from taking place.
- The City of Pascagoula purchased 20 litter signs.
- The sign is 18" long by 12" wide.
- The poles are 8 ft. long, but 2 ft. will go in the ground.
- If a location already has a street sign in place the litter sign can be attached to that same sign.
