RE: Veterans Ave/Shortcut Road Drainage Project
Quote Tabulation and Recommendation

Dear Mr. Silverman:

As directed by the City of Pascagoula, Neel-Schaffer solicited quotes from four local Contractors to perform the construction related services associated with the referenced project. Two Contractors responded with quotes, one Contractor turned down the opportunity to offer a quote, and one Contractor did not respond to the solicitation.

The two quotes received were consistent with the Engineer's Cost Opinion, and are as follows:

Graham Construction	\$ 34,855.00
SCI	\$ 49,637.50

Neel-Schaffer has worked with the responding Contractors and feel that they are both capable of performing the work as specified.

Therefore, Neel-Schaffer recommends that the City consider approving the lowest quote, which was submitted by Graham Construction.

If you have any questions, please let me know.

Sincerely,
Neel-Schaffer, Inc.

Joshua Brick, P.E.
