

PASCAGOULA YOUTH BASEBALL LEAGUE

The Pascagoula Youth Baseball League Board is requesting sponsorship fees of \$500.00 per Field sponsor for a total of \$2000.00 for the four teams that we have in the league that are sponsors for the fields. (Ingalls, Chevron, Turf Masters and The First Bank). We are glad to have these businesses as sponsors of Four of our teams in the league, we use the sponsors fees to help with covering the cost of Baseball, Franchise Fees, Equipment, Umpires and Scorekeepers for the league. The league would also like to thank the city for the use of such a Fine Complex for the Kids to play Baseball and Softball on for many years to come.

Also would like to let you Know that we will host to the Cal Ripken Sub District Tournament this year starting on June 7 through June 13TH. The way it looks right now we will have between 80 and 100 teams playing that week from ages 6U to 12U, we will be using all 7 fields that week.

Thanks for your Time Tonight and hope to see all of you at the complex to watch these amazing kids play ball and having fun playing the game we all love. **Keep in mind Kids first. It is all for the kids!!!**

Thank YOU
League President
