Re: Community Disaster Loan EMA-2006-LF-1604MS05

Mayor Willis
Dear ~~Michael Silverman~~:

This is in reference to the Community Disaster Loan (CDL) issued on December 15, 2005 by the Federal Emergency Management Agency (FEMA) to the City of Pascagoula as a result of the major disaster declaration of August 29, 2005 for the State of Mississippi (FEMA-DR-1604MS).

On September 30, 2021, the United States Congress passed The Extending Government Funding and Delivering Emergency Assistance Act (P.L. 117-43). According to P.L. 117-43 SEC. 1601. (a):

“Repayments of the remaining balances of all loans, as of September 30, 2021, by the Federal Emergency Management Agency under section 417 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5184) are hereby cancelled”.

According to FEMA’s records, the remaining balance of the referenced CDL on September 30, 2021 was \$2,513,486.14. Pursuant to P.L. 117-43, repayment of that remaining balance is cancelled. In addition, as there is no more disbursement left on the account, this letter also serves as an official close to the CDL.

If you have any questions concerning the referenced CDL, please contact Martha Castro, CDL Program Manager, at Martha.Castro@fema.dhs.gov.

Sincerely,
