**Washington-Ruland Drainage Project Requires WATER OUTAGE  
MONDAY April 30, 2018 8:00 a.m. – 5:00 p.m.**

*PASCAGOULA, MISSISSIPPI* – The city’s contractor on the Washington-Ruland Drainage Project has requested a water outage for MONDAY, April 30<sup>th</sup>, to relocate the exiting waterline at the intersection of Washington Ave. and Ruland St. The outage is project to last from 8:00 am – 5:00 p.m.

About 45 homes will be impacted. Please see the attached map. These residences are the homes located on Ruland Street; Shadow Wood Circle; and the residents on the north side of Washington Ave. between Ruland St. and Cherokee Drive.

The impacted area has been investigated in the field with the assistance of city staff. The water is planned to be returned to service as soon as the relocation is complete, no later than 5:00 p.m.
