NOTICE OF CONVENT AVENUE ROAD CLOSURE

9th Street Temporary Extension Completed – Easy Detours Available

The permanent closure of Convent Avenue between Marion Street and 9th Street goes into effect Monday, December 3rd as planned, as part of the Youth Ballfield Project. The temporary paving that extends 9th St north to Jackson will be completed this weekend.

Drivers, pedestrians and cyclists will find easy detours around the two block area, via both Jackson and Tucker Avenues. Marion Street remains open from Jackson to Convent, allowing for no disruption to area businesses.

“This street closure shows that we are moving forward with this project and I know we will all be happy to see it completed. It will be a premier complex for all of our Pascagoula youth ball players,” said Mayor Dane Maxwell. “Plus, the economic opportunities created by this project being strategically located in the heart of the City only adds to our continued success in improving the City’s financial picture.”
